A self-contained evidence workstation: the M7S has its own Windows 10 computer, a 7-inch touch screen and a lockable, removable 2 TB hard drive, so no separate PC is needed. Dock eight body cameras to charge them, upload and catalogue their footage and clear them for the next shift, in a portable case with a handle.

SPECIFICATION

WHAT YOU ARE GETTING

Cameras	8 at once, each port independently powered (1.2 A)
